

BSPS 2020 virtual conference: Timetable/programme

<p>Tuesday 15 September</p>				
<p>9.15- 9.30am</p>	<p>Welcome https://us02web.zoom.us/j/83128947228 (meeting ID: 831 2894 7228) Dr. Alice Reid (BSPS Vice-President)</p>			
<p>9.30- 10.30am</p>	<p>Telling the story in statistics https://us02web.zoom.us/j/8300485415 (meeting ID: 830 0485 8415) Chair: Ryan Scott (National Records of Scotland) 1. Milestones: journeying through adulthood - Pryde et al. 2. Creating a data visualisation tool to compare current and projected indicators of ageing at a subnational level – Rudling, Storey, Nixon 3. Working with the media - Roughsedge 4. Understanding migration trends in Scotland - Patrick, Watson</p>	<p>Ageing in place: health https://us02web.zoom.us/j/88669353152 (meeting ID: 886 6935 3152) Chair: Lisa Davison (University of Southampton) 1. Mental health status of the elderly in India - Parmar 2. Age and life satisfaction: getting control variables under control - Bartram 3. Assessment of cognitive health during various marital phases: Evidence based on the Health and Retirement Study, 1998-2014 – Sharma, Hale, Myrskylä, Kulu 4. Grandchild caring and late-life depression: A comparative study in England, Europe and China – Yang</p>	<p>Migration: Residential and spatial mobility & immobility https://us02web.zoom.us/j/85447685752 (meeting ID: 854 4768 5752) Chair: Dr. Ian Shuttleworth, (Queen’s University Belfast) 1. Conservation values mediate the association between spatial immobility and intergroup threat - Finell, Shuttleworth, Stevenson, Bjarnason 2. Complicating identities: Exploring the psychological mediators of the effects of residential mobility on tolerance - Stevenson, Shuttleworth, Finnell, Bjarnason 3. Internal migration in England & Wales: An exploration of recent patterns and trends - Shenhuy et al. 4. Social disparities in residential mobility and children’s outcomes in early and middle childhood – Fiori</p>	<p>Fertility: Childbearing and child outcomes in Europe https://us02web.zoom.us/j/88512184561 (meeting ID: 885 1218 4561) Chair: Dr. Katherine Keenan (University of St Andrews) 1. Understanding fertility trends in the constituent countries of the UK: What role do births to foreign-born mothers play? – Berrington, Kuang 2. Environmental experiences and women’s infant feeding journeys: a survival analysis using an online survey of UK mothers – Brown, Emmott, Myers, Page 3. Church attendance is positively related to social support, and social support is positively related to fertility and improved child outcomes among English mothers – Shaver, Power, Purzyck, Watts, Sear, Sosis, Bulbulia 4. Adolescent mental health and social outcomes in children conceived through medically assisted reproduction – a within-family analysis</p>

				– Goisis, Palma, Remes. Peltonen, Martikainen
10.30-11.00am	Break			
11.00am-midday	<p>Health & the life course</p> <p>https://us02web.zoom.us/j/88915594765 (meeting ID: 889 1559 4765)</p> <p>Chair: Professor Anne McMunn (University College London)</p> <ol style="list-style-type: none"> 1. Accumulative reproductive life histories and grip strength in Indonesia: 1993-2014 - Leone, Vaisanen, Witoelar, 2. The impact of exposure to air pollution on cognition among elderly people in China – Hu 3. Is having children bad for your health? The causal and unequal effect of reproductive history on hypertension in India – Sochas 4. The impact of life course exposures to neighbourhood deprivation on health and well- being: a review of the long-term neighbourhood effects literature - Norman, Jivraj, Murray 5. Cumulative neighbourhood deprivation exposure and mid-life health trajectories - Jivraj, Murray, Norman 6. Neighbourhood deprivation effects on body-mass index across the life course: structural equation modelling of data from two prospective British longitudinal birth cohorts - Murray, Jivraj, Norman 	<p>Families & Households: Marriage and cohabitation</p> <p>https://us02web.zoom.us/j/85094830324 (meeting ID: 850 9483 0324)</p> <p>Chair: Dr. Kathrin Morosow (University of Bath)</p> <ol style="list-style-type: none"> 1. Do egalitarian people no longer value marriage? A comparative analysis of 19 countries - Kolpashnikova, Zhou, Kan 2. Armed conflict and female teen marriage in Azerbaijan – Torrisi 3. Do couples face an economic bar to marriage? - Understanding the contribution of men’s and women’s economic precariousness on first cohabitation outcomes in the UK, 1991-2018 - Palumbo, Berrington, Eibich 4. Is there a “bar” for relationship quality? Examining the association between relationship happiness, economic conditions, and family transitions in the UK - Blom, Perelli-Harris 	<p>Historical demography: census-based research</p> <p>https://us02web.zoom.us/j/81837701346 (meeting ID: 818 3770 1346)</p> <p>Chair: Dr. Eilidh Garrett (University of Edinburgh)</p> <ol style="list-style-type: none"> 1. Education, geography and fertility decline: Evidence from 1970 Colombia - Jaramillo Echeverri 2. Continuity and change in spatial patterns in UK fertility: the case of London – Jaadla, Reid, Garrett 3. Reflecting on the past: Forerunners and spatial diffusion of the fertility decline in England and Wales, 1851-1911 - Thiehoff, Hinde, Perelli-Harris, Vitali 4. Using volunteer-transcribed nineteenth century census records: assessing their merit compared to existing data sets - Duke-Williams 	<p>Statistical uncertainty</p> <p>meet.google.com/wsd-ccja-nez (To join by phone, call +44 (0)20 3937 1249 & enter PIN: 646 143 708#)</p> <p>Chair: Dr. Louisa Blackwell (Office for National Statistics)</p> <ol style="list-style-type: none"> 1. Longitudinal linkage of administrative data; design principles and the total error framework - New data - Cummins, Blackwell, Rogers, Fordham 2. Measuring statistical uncertainty in population estimates - New data - Castaldo, Martin-Drury, Galezewska, Blackwell, Hanson 3. Understanding the statistical properties of integrated data for estimating the usual population of England and Wales: New data - Blackwell, Castaldo, Large

Midday- 1.00pm	Lunch break			
1-00- 2.00pm	<p>Demography, inequality & social policy</p> <p>https://us02web.zoom.us/j/85714183528 (meeting ID: 857 1418 3528)</p> <p>Chair: Dr. Nissa Finney (University of St. Andrews)</p> <ol style="list-style-type: none"> 1. An alternative to affirmative action: Contextualised admissions and labour market outcomes- Sen 2. Investigating the relationship between multidimensional poverty & antibiotic knowledge, attitudes, and practices in Mwanza, Tanzania - Green, Keenan, Mshana, Mushi, Mwanga 3. Developing ethnic group indices of multiple deprivation for English neighbourhoods – Catney, Lloyd 4. The Impact of Coronavirus on deaths in Scotland - Ramsay 5. The long-term impact of restricted access to abortion on children’s socioeconomic outcomes – Hajdu & Hadju 	<p>Families & households: Families & work</p> <p>https://us02web.zoom.us/j/83862871741 (meeting ID: 838 6287 1741)</p> <p>Chair: Dr. Afshin Zilanawala (University College London)</p> <ol style="list-style-type: none"> 1. New leave policy for Slovak fathers: Radical potential, mixed results - Dancikova 2. A family leave length trade-off? Women’s labour force status in comparative perspective – Morosow 3. Gender divisions of domestic labour amongst couples with young children and relationship quality: Evidence from the UK Household Longitudinal Study - McMunn, Xue, Lacey 4. The gender division of paid work around the transition to parenthood among migrant origin couples in Belgium - Maes, Marynissen, Wood, Neels 	<p>Migration (flash session)</p> <p>https://us02web.zoom.us/j/83884486462 (meeting ID: 838 8448 6462)</p> <p>Chair: Dr. Michael Thomas (Statistics Norway)</p> <ol style="list-style-type: none"> 1. The role of state grants and scholarships in the transition from the "brain drain" to the "brain circulation": the case of Russia - Ryazantsev, Pletneva, Ochirova 2. Ethnic identity of minority and majority populations in the UK - Hristova 3. Trends in ethnic intermarriage in the UK - Bessudnov 4. Obstacles and facilitators of long-term economic integration of immigrants in the United Kingdom - Mahony, Rowe 5. Geographic inequalities in ethnic minority and immigrant labour market experiences in England and Wales - Garlick, Catney, Lloyd, Darlington-Pollock 6. How can migrants influence democracy in their countries of origin? Example from CIS countries of Central Asia - Bragin & Ryazantsev 7. Exploring educational attainment by immigrant background: An analysis of PISA data in six OECD countries - Harrison 	<p>Fertility: Childlessness & low fertility</p> <p>https://us02web.zoom.us/j/88133698442 (meeting ID: 881 3369 8442)</p> <p>Chair: Dr. Alice Goisis (University College London)</p> <ol style="list-style-type: none"> 1. Childlessness among tomorrow’s older population and implications - Coombs, McLeod, Storey 2. Birth strike? How are environmental concerns associated with young adults’ fertility intentions? - Berrington 3. Changes in partnering and first birth risks in Finland in 2000-2018 – Hellstrand, Nisén, Myrskylä 4. Age at first birth and completed fertility across the 1940s–1970s birth cohorts - Zeman, Beaujouan, Nathan 5. Do one child women revise their fertility intentions downwards after first birth? Evidence from the USA and UK - Raybould & Sear

2.00-2.30pm	Break			
2.30-3.00pm		<p>Critical perspectives in demography and population studies: The crafting of population knowledge (30-minute session 1A)</p> <p>https://us02web.zoom.us/j/81681146582 (meeting ID: 816 8114 6582)</p> <p>Chair: Joe Strong (London School of Economics)</p> <p>1. The persistence in gendering: work-family policy in Britain since the 1960s - Chanfreau 2. Acting in good faith: 'Studying Up' population-related policies in India – Nandagiri</p>		
3.00-3.30pm	<p>Early career plenary from the winner of the BPS early career award 2020: https://us02web.zoom.us/j/83988497663 (meeting ID: 839 8849 7663)</p> <p>Dr. Julia Mikolai (University of St. Andrews) Partnership dissolution, residential mobility, and housing in Britain and Europe (Chair: Professor Hill Kulu)</p>			
3.30 – 4.00pm	Break			
4.00-5.00pm	<p>Health & mortality: Determinants of health</p> <p>https://us02web.zoom.us/j/88147720809 (meeting ID: 881 4772 0809)</p> <p>Chair: Dr. Arjan Gjonca (London School of Economics)</p>	<p>Critical perspectives in demography and population studies: gender, violence and intersectionality (45- minute session 1B)</p> <p>https://us02web.zoom.us/j/81832936014 (meeting ID: 818 3293 6014)</p> <p>Chair: Laura Sochas (London School of Economics)</p>	<p>Developments in Official Population Statistics: Census 2021 4.00-5.15pm</p> <p>https://meet.google.com/sxx-croi-kdi To join by phone, call +44 20 3956 0787 and enter the PIN: 268 605 447#</p> <p>Chair: Professor Nicola Shelton (University College London)</p>	<p>Fertility: Sources of variation in childbearing behaviour</p> <p>https://us02web.zoom.us/j/84062957941 (meeting ID: 840 6295 7941)</p> <p>Chair: Professor Ann Berrington (University of Southampton)</p>

	<p>1. The impact of housing conditions on mortality in Belgium (1991-2016) - Damiens</p> <p>2. Do longer lives mean better health in Spain? Recent trends in disease-free life expectancy at age 65 years - Zueras, Rentería</p> <p>3. The trend in mean height of Guatemalan women born between 1945 and 1995: a century behind - Arriaza, Hambidge, Krebs, Garcés, Channon</p> <p>4. Sex and socioeconomic disparities in the development of multimorbidity in Scotland: the benefits of applying a sequence based, longitudinal approach - Cezard, Sullivan, Bowles, Keenan</p>	<p>1. The political borders of the statistical others: how sample design prevents intersectional study of mobility - Lieutaud</p> <p>2. Violence against women, privilege and intersectionality. A case study from the French overseas territories - Condon</p> <p>3. Journeyscapes: the regional scale of women's domestic violence journeys - Bowstead</p>	<p>1. Use of geo-demographics to understand characteristics of non-responders and inform decision making in the 2021 Census – Williams</p> <p>2. Taking a steer from 2019 Census Rehearsal to drive forward the question design of the 2021 Census – Kelly</p> <p>3. Census 2021: Long-term health condition or illness and unpaid care questions – Cooper</p> <p>4. Census 2021: Electronic questionnaire functionality - focus on voluntary questions and mutually exclusive – Kelly</p> <p>5. Scotland's Census 2022: Statistical methods and data processing in Scotland's Census - McDevitt</p>	<p>1. Marital vs. non-marital births in England and Wales: Changing patterns over space and time (1951-2011) - Thiehoff, Perelli-Harris, Hinde, Vitali</p> <p>2. The impact of forced migration on reproductive behaviour: Case study of Syrian refugees in Turkey - Bozdog</p> <p>3. Spatial variations of cohort fertility, parity ratios, and childlessness in Greece – Baltas</p> <p>4. Expectations and reality of childbearing – Burkimsher</p>
Wed. 16 September				
9.30-10.30am	<p>Big data & machine learning</p> <p>https://us02web.zoom.us/j/82096863575 Meeting ID: 820 9686 3575</p> <p>Chair: Dr. Erengul Dodd (University of Southampton)</p> <p>1. Identifying under-five pneumonia, diarrhoea, and malaria prediction characteristics' differences between urban and rural residents: a machine learning predictive modelling approach - Kananura</p>	<p>Ageing in place: informal care</p> <p>https://us02web.zoom.us/j/88289597669 Meeting ID: 882 8959 7669</p> <p>Chair: Heather Mulkey (University of Southampton)</p> <p>1. Associations of discontinuation of care: a longitudinal analysis of the English Longitudinal Study of Ageing? - Palmer</p> <p>2. Gender composition of adult children of care regimes from a care network perspective - Van Liempt, Vergauwen, Mortelmans</p>	<p>Migration: Family formation of immigrants and their descendants across Europe</p> <p>https://us02web.zoom.us/j/89865525275 Meeting ID: 898 6552 5275</p> <p>Chair: Dr. Matthew Wallace (Stockholm University)</p> <p>1. The family dynamics of immigrants and their descendants in France: Evidence using Multichannel Sequence Analysis - Delaporte, Kulu</p>	<p>Fertility: Inequalities in reproductive health and pregnancy outcomes</p> <p>https://us02web.zoom.us/j/84996546285 Meeting ID: 849 9654 6285</p> <p>Chair: Professor Ernestina Coast (London School of Economics)</p> <p>1. Pregnancy awareness and confirmation among adolescents seeking abortion-related care: a comparative mixed methods study in Ethiopia, Malawi and Zambia - Strong, Coast, Chiweshe, Fetters, Griffin, Tembo, Getachew</p>

	<p>2. Measuring the impacts of health inequalities on the health economy of a deprived inner urban area of London using personal health records and other large administrative datasets- Mayhew, Harper</p> <p>3. Using machine learning and twitter data to profile attitudes towards immigration – Rowe, Freire-Vidal, Graells-Garrido</p>	<p>3. Does informal caregiving predict loneliness? A comparison of loneliness measures - Davison, Willis, Langat</p> <p>4. Care for ageing parents by adult children with and without siblings - Chanfreau & Goisis</p> <p>5. Are there socio-economic inequalities in grandparental childcare? New evidence from the English Longitudinal Study of Ageing - Di Gessa, Zaninotto, Glaser</p>	<p>2. Timing of childbirth of a changing composition of immigrants in Germany - Liu, Kulu</p> <p>3. The intersection of partnership and fertility histories among immigrants and their descendants in the United Kingdom: A multistate approach - Mikolai, Kulu</p> <p>4. Fertility behaviour of post-1990 immigrants and immigrant descendants in Sweden - Campbell, Andersson, Kulu</p> <p>5. The fertility of child migrants: Understanding the role of age at arrival for women and men - Wilson</p>	<p>2. Prioritizing the needs of adolescents by building the evidence base for life-saving impact of scaling up contraception and abortion for adolescents in Ethiopia, Malawi and Zambia using LiST - Leone, Sochas, Fetters, Coast,</p> <p>3. Prenatal sex-selection against female in the UK: evidence and policy - Dubuc</p> <p>4. The vulnerable body: Women’s sexual and reproductive health and rights during peace and war in Colombia - Svallfors</p> <p>5. Social inequalities in the risk of miscarriage among British women - Väisänen, Keenan</p> <p>6. Medically assisted reproduction in the high fertility context of Utah: a within-family analysis of birth outcomes by the type of treatment - Pelikh, Goisis, Smith</p>
10.30-11.00am	Break			
11am – midday	<p>Health & mortality: Population health</p> <p>https://us02web.zoom.us/j/88527623304 Meeting ID: 885 2762 3304</p> <p>Chair: Dr. Amos Channon (University of Southampton)</p> <p>1. Identifying geographical heterogeneity of under-five child nutritional status in districts of India - Biswas</p> <p>2. Is it better to intermarry? Ethnic composition of marriages and suicide</p>	<p>Families & households: Family wellbeing in Asia</p> <p>https://us02web.zoom.us/j/86831118934 Meeting ID: 868 3111 8934</p> <p>Chair: Dr. Kamila Kolpashnikova (University of Oxford)</p> <p>1. Diverging destinies: Household income, parents’ educational attainment, parents’ time availability and adolescent’s time use in Japan - Hertog, Zhou</p>	<p>Critical perspectives in demography and population studies: rethinking sexual and reproductive health? (45-minute session)</p> <p>https://us02web.zoom.us/j/85296961947 Meeting ID: 852 9696 1947</p> <p>Chair: Dr. Stephanie Condon (INED)</p> <p>1. Male circumcision and sexual functioning: The role of cultural background - Peri-Rotem</p> <p>2. Challenging categorical thinking: An application to maternal healthcare access inequalities in Zambia - Sochas</p>	<p>Regional, subnational & local demography: its impact on making policy for places</p> <p>https://us02web.zoom.us/j/88679217457 Meeting ID: 886 7921 7457</p> <p>Chair: Dr. Mark Fransham (LSE)</p> <p>1. Supporting users to produce sub-council population projections: Filling a gap in official statistics - Letsinger, Patrick</p>

	<p>risk among native-born and migrant persons in Sweden - Oksuzyan, Aradhya, Caputo, Drefahl</p> <p>3. Differentials in self-assessed health by generation: cross-country comparisons – Burkimsher</p> <p>4. Establishing the contributions of international immigrants to total population health in the Nordic countries - Wallace, Drefahl, Thomas, Syse, Mortensen, Aburto</p>	<p>2. The gender division of housework and sex in Hong Kong - Chen</p> <p>3. A multilevel modelling approach to the analysis of happiness in Indonesia – Tantriana, Rosmaniar</p>	<p>3. Evaluating masculinities and SRHR: critically analysing the research production chain - Strong</p>	<p>2. How do changes to ONS migration methodology impact on housing trends and future housing need - Elias</p> <p>3. Housing space in England at the neighbourhood-level, 1971 to 2017 - Lloyd, Gleeson</p> <p>4. Stronger towns: What can the Census tell us? - Stockton, Duke-Williams, Champion</p>
Midday-1.00pm	Lunch			
1-00-2.00pm	<p>Health & mortality: Access to health care</p> <p>https://us02web.zoom.us/j/89156717237 Meeting ID: 891 5671 7237</p> <p>Chair: Professor Paula Griffiths (Loughborough University)</p> <p>1. Exploring geographical variance of complete immunization coverage in India: A district-level spatial modelling approach - Biswas</p> <p>2. Understanding variations in health care seeking behaviour for primary and secondary public health care services in rural Guatemala - Arriaza</p> <p>3. Applying social capital framework in examining the role of transport system and health facility services in shaping child survival in a resource-poor setting - Kanamura, Leone, Gjonca</p>	<p>Families & households: Parents, grandparents, and young adults</p> <p>https://us02web.zoom.us/j/86413598250 Meeting ID: 864 1359 8250</p> <p>Chair: Professor Anne McMunn (University College London)</p> <p>1. When do they care? Exploring local variation in formal childcare availability and the usage of grandparental care - Biegel, Neels</p> <p>2. Leaving like your sibling? Cross-sibling effects on parental home leaving in the UK - Her, Vergauwen, Mortelmans</p> <p>3. Mothers’ and fathers’ well-being while parenting: Does the gender composition of children matter? - Negraia, Yavorsky, Dukhovnov</p> <p>4. The difference in the participation of young men and women in household work and caretaking during the lockdown: Does it affect their wellbeing? Case study of</p>	<p>Migration: Employment of immigrants and ethnic minorities</p> <p>https://us02web.zoom.us/j/89500209471 Meeting ID: 895 0020 9471</p> <p>Chair: Dr Isaure Delaporte (University of St. Andrews)</p> <p>1. Ethnic differences in couples’ employment and the transition to parenthood in Belgium - Van den Berg, Wood, Neels</p> <p>2. Characterising labour market experiences by ethnic group: Creating local area classifications for England and Wales – Garlick, Catney, Lloyd, Darlington-Pollock</p> <p>3. Potential explanations to the differential uptake of workplace and classroom training between second generation of migrants and no migrant background population in Flanders, Belgium - Kasztan Flechner, Wood, Neels</p>	<p>Data quality</p> <p>https://us02web.zoom.us/j/83383540460 Meeting ID: 833 8354 0460</p> <p>Chair: Dr. Olga Maslovskaya (University of Southampton)</p> <p>1. Do we know what proportion of non-British citizens resident in the UK are applying to the EU Settlement Scheme? - Zumpe, Briggs, Lindop</p> <p>2. The Up-Series Generation in the Office for National Statistics Longitudinal Study - Sizer, Duke-Williams</p> <p>3. Geography of UK Biobank: Considerations for avoiding bias in measures of association - Taylor, Norman</p> <p>4. Own-household fathers and part-time residence: a challenge to</p>

	4. An investigation into factors associated with delivery and repair of prostheses in a Cambodian clinic – Channon, Owen, Dickinson, Harte, Kheng, Metcalf, Ostle	men and women under 30 in Slovakia - Šedovič, Fishbone Vlčková	4. The children of the Windrush: persistent inequalities across multiple life domains – Wallace, Wilson, Darlington-Pollock	language, categories and survey questions – Goldman, Bradshaw, Burgess, Vosnaki	
2.00-2.45pm	<p style="text-align: center;">Early career panel: Reviewing journal articles</p> <p style="text-align: center;">https://us02web.zoom.us/j/83444946446 (Meeting ID: 834 4494 6446)</p> <p>This panel session has three aims: First, to provide an introduction to good practice in peer review; second, to discuss tips and tricks on reviewing and re-reviewing journal articles (from both Editors' and reviewers' perspective), and third, to answer any questions the participants may have about the peer review process and reviewing for academic journals. Panel members: Dr. Rebecca Sear (LSHTM), Dr. Alice Reid (University of Cambridge, Editorial board of <i>Population Studies</i>), Professor Jakub Bijak (University of Southampton, Editor-in-Chief of <i>Demographic Research</i>), Dr. Ben Wilson (Stockholm University), Dr. Heini Vaisanen (University of Southampton). Chair: Dr. Julia Mikolai (University of St Andrews)</p>				
2.45-3.45pm	<p style="text-align: center;">Plenary conversation: Dr. Jessica Dimka (Oslo Metropolitan University) & Dr. Rishita Nandagiri (LSE) in conversation on How demographic research could or should address health inequalities</p> <p style="text-align: center;">https://us02web.zoom.us/j/86991959255 (Meeting ID: 869 9195 9255)</p> <p style="text-align: center;">Chair: Professor Wendy Sigle</p>				
3.45-4.00pm	Break				
4.00-5.00pm	<p>Historical demography: Mortality</p> <p>https://us02web.zoom.us/j/86464830444 Meeting ID: 864 6483 0444</p> <p>Chair: Dr. Alice Reid (University of Cambridge)</p>	<p>Ageing in place: housing & decision making</p> <p>https://us02web.zoom.us/j/89737131500 Meeting ID: 897 3713 1500</p>	<p>Developments in Official Population Statistics</p> <p>4.00-5.15pm</p> <p>https://meet.google.com/dgk-rpoc-pdb</p> <p>To join by phone, call +44 20 3956 0787 and enter the PIN: 504 174 656#</p>	<p>Health & the environment</p> <p>https://us02web.zoom.us/j/89863354264 Meeting ID: 898 6335 4264</p> <p>Chair: Dr. Laura Brown (London School of Economics)</p>	<p>Fertility: contraceptive use</p> <p>https://us02web.zoom.us/j/87321381003 Meeting ID: 873 2138 1003</p> <p>Chair: Dr. Heini Vaisanen (University of Southampton)</p>

	<p>1. Differences in mortality of children under five years by sex and gender: The case of El Sagrario, Zacatecas, México between 1835-1845 - Camacho Martínez</p> <p>2. A long shadow of mild shocks on health: The intergenerational perspective on the Fetal Origins Hypothesis - Sari, Moilanen, Sommerseth</p> <p>3. Multi-level modelling using the 1911 'Fertility Census': analysing historical under-five mortality inequalities in London - Rafferty</p> <p>4. The surprising efficacy of early public health interventions: a perspective from evolutionary biology - Davenport</p>	<p>Chair: Dr. Maja Emilie Fuglsang Palmer (University of Southampton)</p> <p>1. Changes in housing tenure and implications of housing tenure in later life – Coombs, Giddings, Storey</p> <p>2. Late life decision-making - Mulkey, Schröder-Butterfill, Willis</p> <p>3. The residential choices of the 65+ in Continental Europe: Ageing in the community or in a communauté? - Laferrère,</p> <p>4. Using one's home to self-fund ageing in place in Britain: implications of Equity Release for intergenerational justice and socio-spatial inequalities - Dubuc</p>	<p>Chair: Piers Elias</p> <p>1. 2018-based subnational population projections for Wales – Harries, Parry</p> <p>2. Exploring existing administrative and survey data on gender identity and sexual orientation – Tanna</p> <p>3. Scotland's Census: Plans for 2022 outputs and Statistical Disclosure Control (How we protect personal information) – McCrum, McKenna</p> <p>4. Dissemination plans for Census 2021 outputs – McLaren</p> <p>5. An update on population and migration statistics transformation – Hand</p>	<p>1. Rainfall variability and risk of infectious diseases in young children: a global analysis – McElroy, Benmarhnia, Dimitrova</p> <p>2. The effects of growing-season drought on young adult women's life course transitions in a sub-Saharan context - Andriano, Berhman</p> <p>3. Association between ambient temperature and mortality in South Asia: Systematic review and meta-analysis – Dimitrova, Ingole, Basagaña, Ranzani, Ballester, Tonnea</p> <p>4.
