INTERNATIONAL SOCIOLOGICAL ASSOCIATION (ISA)

INTERNATIONAL SCIENTIFIC CONFERENCE

***SOCIAL, CULTURAL, AND POLITICAL CHALLENGES IN THE CONTEXT
OF LOCAL-GLOBAL INTERACTIONS***

MOSCOW, RSUH, October 22, 2021

Dear colleagues!

We invite you to take part in the international scientific conference “Social, cultural, and political challenges in the context of global-local interactions” which is organized jointly by Russian State university for the Humanities and St. Petersburg State University cooperating with Institute of Socio-Political Research of the Federal Center of Theoretical and Applied Sociology of the Russian Academy of Sciences and with Working Group on Sociology of Local Global relations of ISA.

All sessions will be hosted by Russian State University for the Humanities and they also will be available online.

The general theme of the Conference is scientific reflection on the current socio-cultural and political changes transforming global structures, nation states, societies and local communities and challenging the state policies, civil society’s activities, and people’s everyday life patterns.

You are invited to send you proposals on following topics:

- Crisis of globalization which promised openness and interconnectivity of societies and now turned to resurrection of borders and even walls;
- Social roots of new populism and present nationalisms impacting identities and social practices;
- Growing social inequality and the rise of its new forms on intersocietal, national and local levels;
- Pandemic social and cultural shock and crisis of everyday life; new normality.
- Technological, ecological, and epidemiological challenges to the social routine of (post)modern society’s structures;
- Digitalization of social and political life: advantages, risks and treats;
- Security and solidarity between liberal democracy and new authoritarianism.

The full paper prepared as article will be published in the Bulletin of Russian State University for the Humanities (RSUH/RGGU BULLETIN. “Philosophy. Sociology. Art Studies” Series Academic Journal) and in the journal “**Science. Culture. Society**” of ISPR OF RAS.

Applications of presenters are accepted until October 6, **2021** (*Appendix 1*) at the address of the Organizing Committee: natalivelikaya@gmail.com and dvi1967@gmail.com with note “Conference Local-Global”

Full papers should be sent not later than November, 22, 2021. Requirements for the design of conference materials (*Appendix 2*).

Information For Authors

All manuscripts submitted to the journals should be original work that has not been published before or submitted for publication elsewhere without plagiarism and unethical research.

The editors accept materials up to 30 thousand print marks in an electronic format version of Word for Windows. Complete article includes the following information in Russian and English languages:

- the article title;
- abstract (200–250 words);
- keywords;
- information about the author (authors) — the surname, name and patronymic, the official name of the current place of employment, academic degree, title, e-mail address.

The author must indicate the sources of all cited in the article quotes, numbers, and other information. The abbreviations are explained.

References must be given for all academic works which influenced the research in some way. All borrowed content must be quoted according to rules of citing with reference to author and source. Manuscript does not contain any unformatted quotes. Unformed quotes and assignment of rights to other people's research results are unacceptable.

References to sources are made in the form of endnotes. References to the source in square brackets are indicated in the text: [21, p. 37]. Bibliographic descriptions of publications issued in accordance with state standards.
