INFORMATION LETTER

Dear Colleagues!

The Institute for Demographic Research of the Federal Research Sociological Center of the Russian Academy of Sciences (IDR FCTAS RAS) and the Moscow State Institute of International Relations (MGIMO University), Ministry of Foreign Affairs of the Russian Federation, invite you to take part in the **XIII International Scientific and Practical Forum “Migration Bridges in Eurasia: New Migration Reality in the Era of COVID- 19”**.

The conference is planned to be held in a hybrid format at the Moscow State Institute of International Relations (MGIMO) on **December 8-9, 2021**.

The main tasks of the Project:

- ✓ the unification of scientists, experts, and practitioners engaged in research and practical regulation of migration in the countries of the world;
- ✓ expert evaluation and implementation of effective approaches and practices in migration management in the migration policy of Russia and partner countries;

- ✓ development of the international research network of experts in the field of migration studies;
- ✓ activation of research activities of young researchers in the field of migration at the international level;
- ✓ the formation of a positive image of Russia as a country regulating migration based on national legislation and interstate agreements.

The Forum will be held in the form of round tables and discussion platforms.

Discussion platforms:

- Conflicts between migrants and the local community: what are the causes and what are the consequences? (within the framework of the Human Capital Multidisciplinary Center)
- Migration and the health of migrants. Should the receiving countries treat, pay pensions and disability benefits to migrants who become disabled while working?

Round tables

- Migration policy: "resetting" during the COVID-19 pandemic and how the historical experience of migration management can help
- Is there a future for the organizational recruitment of labor in the Central Asia – Russian Federation migration corridor after the end of the COVID-19 pandemic? (within the framework of the Human Capital Multidisciplinary Center)
- Migrants in the digital economy and the possibilities of legalizing undocumented migrants
- Forced migrants and refugees in the context of political turmoil

The Forum will also include:

- **International expert panel** with the support of the Human Capital Multidisciplinary Research Center of the MGIMO University MFA of Russia «**The impact of intellectual migration on the formation of human capital**»;
- **IV Youth Forum «Passport and Visa Diplomacy in Eurasia»**

No conference fee is charged for participation in the Forum. Organizers do not cover travel and accommodation expenses but provide organizational and visa support for participants.

Working languages: Russian and English; simultaneous interpretation will be provided.

Applications for participation with a report, as well as materials for publication, are accepted **until November 10, 2021**.

The electronic application form and requirements for the publication of publications are available on the official website of the Institute for Demographic Research FCTAS RAS: <https://idrras.ru/> in the Announcements section.

Applications for participation in the conference are filled **in Russian and English**.
